100 Things That Make Us Angry

Anger is one of the commonest of the negative emotions that we experience, and no human being is exempt from anger. The degree varies, the timing varies, the duration varies, the causes for anger vary, the triggers vary, but eventually, anger gets to everyone, and it is almost impossible to go through life without feeling angry about someone or something. But for some of us, anger becomes a major problem, a handicap. People who have an anger problem tend to erupt when presented with the right triggers, which might seem silly or stupid to those around. "Why is this person getting so angry? What is the need? Why can't he/she just ignore this silly problem? Is what most p
