ANDRE AGASSI IN HIS WONDERFULLY WRITTEN BOOK *OPEN* TELLS US:
'It's no accident that tennis uses the language of life. Advantage, service, fault, break, love, the basic elements of tennis are those of everyday existence, because every match is a life in miniature.'

In *Everyball* author Mike James delves deep into his own tennis experiences, first as a child growing up playing on the 'murrum' courts of Kenya, then to the hard courts of Tucson, Arizona, and finally to a 22-year coaching career in Great Britain, to bring alive his coaching philosophy of *Everyball*. Sometimes humorous, sometimes more serious, these parable-like reflections, anecdotes and observations from a life in tennis aim to tool you up for the game of life! It's no doubt a book for the tennis coach, parent, player and enthusiast, all of which Mike is, but also for anyone interested in learning, growing and thriving in the bigger game we all have no choice but to play.
