The Angel Experiment: A Maximum Ride Novel (Book 1)

In James Patterson's blockbuster series, fourteen-year-old Maximum Ride, better known as Max, knows what it's like to soar above the world. She and all the members of the "flock"--Fang, Iggy, Nudge, Gasman and Angel--are just like ordinary kids--only they have wings and can fly. It may seem like a dream come true to some, but their lives can morph into a living nightmare at any time...like when Angel, the youngest member of the flock, is kidnapped and taken back to the "School" where she and the others were experimented on by a crew of wack jobs. Her friends brave a journey to blazing hot Death Valley, CA, to save Angel, but soon enough, they find themselves in yet another nightmare--this o

The Nature of Healing: The Modern Practice of Medicine

Currently and for centuries past, sickness has been understood to be primarily the physical result of bodily disease. Yet this definition of illness is out-of-date and untrue to life at a time when chronic illness and the problems of disability and aging are increasingly common. When persons are si
