**What others say about this ebook:**

**Review 1:**

Entertaining read, I enjoyed it.

**Review 2:**

This is my all time favorite adult fiction series. I feel like I'm right in the adventure with The Seeker and his love.

**Review 3:**

It's a great story

**Review 4:**

The 2nd book in the series picks up immediately where the first one left off. I enjoyed the new characters and events that took place. Once again, it's fairly long, but the story progresses and doesn't dull out at all.

**Review 5:**

Complex plots, many twists. Some humor and humorous characters. starting number 4 in series. Broad separation between good and evil. I am tired of authors who only give us a choice between bad and worse. Terry's characters are interesting and infinitely likable.
