### **Natural Resource Damages: Law and Economics (Environmental Law Library)**

This study examines the recovery of monetary damages resulting from the release of pollutants and contaminants into the environment. Public trustees, public and private entities and private parties are considered, as well as common versus statutory law and claims for personal injury.

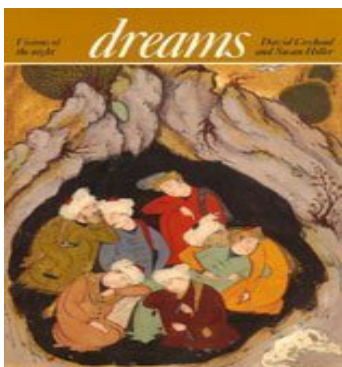

### **The Art of Michael Möbius**

Michael Möbius was born in 1968, and spent his formative years in his native East Germany. When the walls to that Communist "no fun" zone came down, this creative illustrator's love of the female form was set free as well! Inspired by such fellow iconic innovators as Sorayama and Renato Casaro

### **500 Toefl**

### **Dreams: Visions of the Night (Art and Imagination)**

Explores the art and literature of many cultures as well as the data of analytical psychology and experimental science to elucidate the nature, varieties, and significance of dreams.

What others say about this ebook:

#### **Martin Fowler**

**My name is Martin Fowler: I'm an author, speaker, and loud-mouth on the design of enterprise software. This site is dedicated to improving the profession of software development, with a focus on skills and techniques that will last a developer for most of their career. I'm the editor of the site and the most prolific writer. It was ...**

#### **Microservices - Martin Fowler**

**Mar 25, 2014 ... Martin Fowler is an author, speaker, and general loud-mouth on software development. He's long been puzzled by the problem of how to componentize software systems, having heard more vague claims than he's happy with. He hopes that microservices will live up to the early promise its advocates have ...**
