What others say about this ebook:

Review 1:

This book is visually pleasing and well put together. Highly recommended it, especially if you are a fan of Transformers Prime

Review 2:

I knew that some pictures were going to be hard to see. I just didn't realize how dark the publisher printed it. The corners of the book were banged around from traveling to its destination. Overall, it's a good purchase because I am an avid fan of this animated series.

Review 3:

I love the detail and the art in this book. I love looking at it and reading the book when I get a chance to.

Review 4:

I'm just... In Awe! It's a WONDERFUL BOOK!!! I plan on using this book as a Helpful tool in my Hopeful Future in a Career of being a Graphic Artist, whether it's going to be a Graphic Novel Artist, an Animator, or who knows, maybe I might use art to create a new type of Medium!

Review 5:

Beautiful designs, lots of neat little tips and add ins. I loved it!
